463 Skywalker HD™ ESD

ESD rubber tiles with a bubble pattern

Ergonomic, Anti-fatigue & Safety Matting - ESD Matting & Accessories
463 Skywalker HD™ ESD

Heavy duty rubber tiles can be easily assembled for coverage of large areas or individual workstations. Ergonomic benefit derived from a 13 mm thick worker platform with a bubble pattern for maximum fatigue relief in dry industrial environments.

- The unique design and craftsmanship make the mat easy to handle and easy to install on site
- A tooled grid of 30 cm x 30 cm sections on the underside of the mat makes further customization quick and easy
- Attachable bevelled edges prevent tripping and allow inside and outside corners

Recommended use
- Dry Areas
- For placement in ESD assembly lines, picking, packing and logistics warehouses, individual work stations.
- Heavy duty
