

# QCHAMP WALLTOUGH PLUS MAGNETIC BELT BARRIER

Product Code: 751753

Easy Access Control with Magnetic Mounting

**pittman**<sup>®</sup>

## OVERVIEW

The QChamp WallTough Plus Magnetic Belt Barrier makes it easy to manage busy indoor spaces. Its extra-long 16' belt covers wide doorways and hallways, providing a clear visual guide to direct people exactly where they need to go.

The barrier system features an integrated brake ensuring smooth and safe retraction, preventing sudden snaps and reducing potential hazards. Designed with a magnetic attachment, it allows for quick, secure installation on any flat metal surface, making it easy to reposition as needed.

Whether you're organizing queues, blocking off restricted areas, or directing flow in high-traffic environments, this barrier offers a dependable, easy-to-use solution.

## PRODUCT FEATURES

- Extra-Long 16' Belt - Easily spans wide spaces, providing clear visual guidance.
- Integrated Belt Brake - Ensures smooth and controlled retraction, reducing safety risks.
- Magnetic Attachment - Quick, secure installation on flat metal surfaces for easy repositioning.
- Versatile Design - Ideal for managing queues, blocking access, or directing flow in high-traffic spaces.

# TECHNICAL DATA

SPECIFICATION	DETAILS
Material	Plastic
Cartridge Color	Black & Yellow
Cartridge Height	152.4 mm
Cartridge Diameter	88.9 mm
Belt Length	5000 mm
Belt Color	Black & Yellow
Belt Width	48 mm
Weight	0.639 kg
Use Cases	Easily repositionable, this barrier is ideal for temporary access control on metal surfaces.

### STRIPED BELT

Makes the barrier easily visible, ensuring areas are clearly marked.

### HOW IT WORKS

- 1. Find a Surface:** Use the nearest flat metal surface to attach the barrier to. Ensure it is free of debris and dry.
- 2. Extend Belt:** Gently pull the belt from the casing, and hook the end into the receiver on the opposite wall
- 3. Retract the Belt:** Once finished, simply unhook the belt end and guide back into the casing to avoid damage.
