

SUB SURFACE MOUNT STAINLESS STEEL SHEFFIELD CYCLE STAND

pittman[®]

OVERVIEW

The Sub Surface Mount Stainless Steel Sheffield Cycle Stand offers secure, long-lasting bicycle parking for public spaces, retail sites, office buildings, and transport hubs.

Manufactured from high-quality 304-grade stainless steel with a brushed finish, this stand offers excellent corrosion resistance, perfect for outdoor installation.

Designed for sub surface mounting, the stand is embedded into concrete for maximum stability.

FEATURES

- 304-grade stainless steel – excellent corrosion resistance for outdoor use
- 240-grit brushed finish – clean, professional appearance
- Ø48 mm tube (2.0 mm wall) – strong and durable construction
- Sub surface mount – secure installation with tamper resistance
