Brooklyn Bicycle Shelter

Product Description

The Brooklyn Shelter is an attractive, versatile design perfectly suited for any environment.

The cycle shelter is ideal for accommodating cycle racks to protect bicycles or motorcycles from the elements, providing maximum cover whilst occupying minimal space.

Can be powder coated in a selection of our colours (specific RAL colours available on request).

Dimensions

Length 4100mm. Height 2275mm. Width 2560mm.
Steel Frame is hot dip galvanised to BS EN ISO 1461.
