

DETECTIVE-X Observation Mirror

The **DETECTIVE-X** observation mirror for Indoor use is ideal for where people circulate, affording observation where medium to large fields of vision are required.

The mirror is manufactured in shock resistant acrylic which protects the metallised mirror coating from scratching. It features a very light construction which eliminates risks associated with glass mirrors. This mirror is ideal for use in retail outlets, warehouses, public buildings and manufacturing sites etc.

The **DETECTIVE-X** is supplied complete with 25cm 'J' bracket for easy and fast installation. A 55cm bracket is available as an option.

- Indoor use only
- Excellent image quality
- Easy & quick installation
- Light construction
- Helps reduce accidents & theft
- 2 year guarantee against manufacturing faults
