SAWO BIKE REPAIR STAND

Convenient bike repair for public and private spaces

pittman[®]

OVERVIEW

The Sawo Bike Repair Station is a durable, all-in-one solution designed for quick and easy bike maintenance. Built for outdoor use, it provides cyclists with the essential tools they need to carry out repairs on the go.

The sturdy structure ensures long-lasting use, even in tough environments, while the weather-resistant finish protects it from rust and corrosion. With a secure, integrated bike stand, it offers a convenient workspace for maintenance, making it simple for cyclists to keep their bikes in top condition.

Each tool is securely attached, ensuring everything stays in place and ready for use. This station is ideal for public spaces, promoting self-sufficient bike care and helping to reduce downtime for cyclists.

PRODUCT FEATURES

- Long-lasting - strong carbon steel, hot-dip galvanised to reduce rust
- Adaptable - integral hand pump to suit all bike tyre types
- Versatile - full set of bike repair tools for convenient repairs
- Tamper proof - all tools attached via stainless steel wire
- Fast install - easily bolts down via base plate
