

URBAN SQUARE PARK BENCH WITH BACKREST

SKU: 797884

pittman[®]

OVERVIEW

The Pittman Urban Park Bench with Backrest blends clean, modern lines with heavy-duty outdoor performance, making it a smart seating choice for public spaces, commercial landscapes, campuses, and streetscapes.

Built around a robust flat steel frame that's hot-dip galvanized for corrosion resistance and finished in a durable anthracite grey powder coat, it's designed to stand up to high-traffic, exposed environments year-round.

The seat and backrest are crafted from premium Kambala hardwood slats, bringing a warm natural look with strong weather-resistant durability, while the integrated back support adds extra comfort for longer, more relaxed seating.

FEATURES

- **Built to Last Outdoors** - Hot-dip galvanized for excellent corrosion resistance.
- **Easy Installation** - Delivered pre-assembled for quick final fit on site.
- **Weatherproof** - Highly resistant to bad weather conditions.
- **Premium Hardwood finish** - Durable powder-coated Anthracite Grey coated designed for high-traffic, exposed outdoor locations.
