

URBAN SQUARE BIKE STAND SURFACE MOUNT

pittman[®]

OVERVIEW

The Bike Stand with Flat Steel Bar and Wooden Support is a sleek and durable parking solution designed to enhance modern outdoor environments.

Combining a strong steel structure with refined Kambala wood, it offers a balance of strength and contemporary design, making it ideal for streetscapes, campuses, workplaces, and residential developments.

Built for long-term outdoor use, the stand is hot-dip galvanized for excellent corrosion resistance and finished in a clean grey tone for a modern appearance. Its surface-mounted design allows for secure fixing to existing surfaces, providing a stable and reliable installation.

FEATURES

- Corrosion Resistant – Hot-dip galvanized for reliable weather protection
- Easy Installation – Supplied pre-assembled for quick and simple setup
- Sleek Modern Design – Combines steel and Kambala wood for a clean, architectural finish
- Durable Construction – Built for long-term outdoor use in demanding environments

TECHNICAL DATA

SPECIFICATION

Product Code SKU: 797885

Color Grey

Material Flat steel 80 x 12mm, refined Kambala wood

Finnish Hot-dip galvanized + coated colour DB 703

Height 1200 mm

Diameter 80mm

Lenght 750 mm

Base Diameter 100 x 150 mm

Weight 20.54 kg

Hardware Included
